RE: 2016 Fall Water System Flushing Program

Dear Ms. Ann Nieuwenhuis:

Attached is a map showing the City's 2016 Fall Water System Flushing Schedule, which will begin on Sunday, September 18, 2016 through Monday, September 26, 2016. Flushing will take place during evening hours of 10:00 p.m. and 5:30 a.m. and daytime hours of 7:00 a.m. to 3:30 p.m.

City crews are equipped with all the necessary tools to help avoid damages that could occur during the flushing operation. If you have scheduled construction or maintenance, or if during the flushing operation you happen to see any damages that might have occurred (washouts, flooded areas, hydrants left running, etc.), please contact me at (269) 337-8729, or in the event of an emergency, call the Water Emergency number at (269) 337-8148.

Sincerely,

Robert McClenney Jr.
Public Services Field Manager
